

# Chris Schneider picks up win at Expo for \$700 win!

July 16, 2015

The Penn Ohio Series was back in action on Thursday night at Expo Speedway. Eleven out of nineteen drivers were Penn Ohio Series participants. Chris Schneider, 2014 Penn Ohio Pro Stock Points Champion, was able to capture the \$700, 15-lap feature win and a Hoosier tire from the Penn Ohio Series donated by Precise Racing Products Hoosier Tire Mid Atlantic.

Starting on the front row of the feature were Penn Ohio participants, Randy Wyant and Jackson Humanic. It didn't take long for Chris Schneider to take the lead over Wyant and Humanic. Schneider used the outside groove to get a straightway lead over Wyant before the caution flag flew for a spinning car in turn 2. When racing resumed Schneider continued to lead the pack with Wyant following and Humanic in tow. Humanic slipped high and fell back to fourth with Rusty Moore capturing the third spot. At the checkers, Schneider captured his first Penn Ohio Series win of the season with Randy Wyant taking the second spot, followed by Moore, Humanic, and Shaun Hooks rounding out the top five.

Heat race winners were: Rusty Moore and Shaun Hooks. Finishing order for Penn Ohio Stock Series drivers: Chris Schneider (1st), Randy Wyant (2nd), Rusty Moore (3rd), Jackson Humanic (4th), Shaun Hooks (5th), Rusty Martz (6th), Chris Haines (7th), Brian Rhed (9th), Rob Shook (10th), Terry Wheeler (13th), and Fuzzy Fields (DNS).
