

Chris Schneider Captures Little Guy Nationals Win at Mercer Raceway Park!

September 25, 2015

The 2014 Penn Ohio Pro Stock Points Champion and current Points Leader, Chris Schneider, finds victory lane for a third Penn Ohio Series win at Friday night's Little Guy Nationals race at Mercer Raceway Park. The Series Race had an impressive car count of 48 Stock Cars. Five heat races would allow the top three cars to move on to the Main event with three B Main events determining the rest of the 24 car field. Heat race winners were Andy Buckley, Chris Schneider, Tim Burns, Tim Bish, and Brent Johnson. B Main Winners were Curtis J. Bish, Shaun Hooks, and Leigh Wheeler.

Starting the A Main race in the sixth position, Schneider found his way to third on lap five chasing Co-Series Participants, Andy Buckley in second and leader, Rusty Martz. On lap eight Buckley was able to capture the lead from Martz only to have Schneider snag the lead on lap 10. Schneider would maintain the lead over Buckley until the one and only caution flag would fly on lap 12 for a slow Martz, who experienced mechanical issues forcing him to pull to the pits. Schneider maintained the lead for the remaining 8 laps while Series Participant, Rusty Moore, challenged Buckley for the second place position. Buckley was able to hang on for second, with Rusty Moore finishing third over Bob McCann in fourth and Brent Johnson for fifth. Rounding out the top ten were sixth place finisher Tim Burns over Series Participant and Promoter, Shaun Hooks, in seventh, Ryan Moyer for eighth, Series Participant, Brian Rhed in ninth, and Series Participant, Tim Bish in tenth.

Finishing order for the Penn Ohio Pro Stock Series Feature: Chris Schneider (1st), Andy Buckley (2nd), Rusty Moore (3rd), Shaun Hooks (7th), Brian Rhed (9th), Tim Bish (10th), Rob Shook (11th), Bob Schwartzmiller (18th), Leigh Wheeler (19th), Rusty Martz (22nd), Randy Wyant (DNS) and Bobby Heim (DNS).

The final Penn Ohio Pro Stock Series race will be the make-up B Main events and A Main Feature event at Sharon Speedway scheduled for Saturday, October 3rd. The point battle continues to be close for participants and will be finalized after the Sharon race.
